We will take the temperature of all YMCA Staff and children each day

YMCA Staff and children are required to wear masks if social distancing cannot be maintained.

## EXCEL AFTER THE BELL

When school's out, you can trust the Y to provide an engaging experience for your child after school. Before & After School Care gives your child the opportunity to get to know some of their classmates better as they engage in active play and collaborate on fun projects. In the process, they'll continue to develop the physical, educational, emotional and social skills that are essential for success.
