Guidelines

In addition to posting this policy on the district's **publicly accessible** website, the district shall inform students, parents/guardians, sponsors, volunteers and district employees **of the district's policy prohibiting hazing, including district rules, penalties for violations of the policy, and the program established by the district for enforcement of the policy** by means of : **[4]**

The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

The Board directs that **verbal and written** complaints of hazing shall be provided to the building principal or designee, who shall promptly notify the Superintendent or designee of the allegations and determine who shall conduct the investigation. Allegations of hazing shall be investigated promptly, and **appropriate** corrective **or preventative** action be taken when allegations are **substantiated**. **The Board directs that any complaint of hazing brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be hazing under this policy but merits review and possible action under other Board policies.**

Interim Measures/Police

Upon receipt of a complaint of hazing, the building principal or designee, in consultation with the Superintendent or designee, shall determine what, if any interim measures should be put in place to protect students from further hazing, bullying, discrimination or retaliatory conduct related to the alleged incident and report. Such interim measures may include, but not be limited to, the suspension of an adult who is involved, the separation of alleged victims and perpetrators, and the determination of what the complaining student needs or wants through questioning.

Those receiving the initial report and conducting or overseeing the investigation will assess whether the complaint, if proven, would constitute hazing, aggravated hazing or organizational hazing and shall report it to the police consistent with district practice and, as appropriate, consult with legal counsel about whether to report the matter to the police at every stage of the proceeding. The decision to report a matter to the police should not involve an analysis by district personnel of whether safe harbor provisions might apply to the person being reported, but information on the facts can be shared with the police in this regard.[\[13\]](#)
